6. Prices include 18% GST.
7. Accepted modes: NEFT / RTGS / IMPS / UPI.
8. Credit/Debit Card payments will attract an additional 2.5% surcharge.
9. **Bajaj EMI is not available**, as Bajaj does not support EMI on custom PC components.
10. Once a Purchase Order (PO) is received, the order cannot be cancelled.
11. Any cancellation after confirmation will attract a 15% cancellation fee on the total order value.
12. Quotation prices are valid for 48 hours only.
13. Prices may vary due to currency fluctuations (USD/INR), component price changes, or customs duty revisions.

Warranty and Authenticity:

1. All components are 100% brand new, sourced from authorized brand distributors.
2. Components are opened in front of you, either in-store or via Live Build video call.
3. Brand-wise warranties apply as per manufacturer policy (typically 3–5 years).
4. Original invoices and warranty documents will be provided for all components.
5. Warranty claims can be raised directly at the nearest authorized service center.
6. We also assist with warranty coordination to ensure a smooth after-sales experience.
7. Products under warranty will be repaired or replaced as per manufacturer/supplier policy.

Warranty Exclusions:

1. Damage caused by impacts, liquids, fire, rain, lightning, or natural/man-made disasters.
2. Damage due to misuse, abuse, or mishandling.
3. Unauthorized system modifications or use of local/unbranded peripherals.
4. Damage due to voltage fluctuations, power surges, direct wall plugging without UPS, or inadequate earthing.
5. Such cases are treated as Customer-Induced Damage and are not covered under standard warranty.
6. Damage or malfunction arising from the installation or use of pirated, cracked, unlicensed, or unauthorized software, including operating systems, drivers, or applications. Such cases will be treated as Customer-Induced Damage and are not covered under standard warranty.

Software, Testing & Delivery:

1. Windows 10 / Windows 11 Professional x64 (Official Trial version) will be installed.
2. All necessary hardware drivers will be installed.
3. Complete system functionality will be tested and verified.
4. Every PC undergoes a 24–48 hour stress test to ensure performance, thermal stability, and build quality.
5. Dispatch within 48 hours after order confirmation, subject to component availability.
6. Dispatch is initiated only after full payment is received.
7. Shipping charges are extra, as applicable.
8. Optional home delivery available only in Delhi NCR.
9. In case of part unavailability, equivalent alternatives will be provided only after mutual approval.
